

Sameh Abd-El-Alim Soliman Ahmed

Marine Chief Engineer, Technical Expert

Mobile: 056 142 1168

Email: const.ch-engineer@constellationms.com

BACKGROUND:

Type Of Vessels Served:

- **Tankers:**
 - VLCC (DWT 355,000 tons)
 - Product Tankers (DWT 105,000 tons)
 - Chemical Tankers (DWT 55,000 tons)
 - LPG Carriers (DWT 75,000 tons)
- **Container Ships:** DWT 40,301 tons
- **Bulk Carriers:** DWT 31,956 tons
- **Offshore Support Vessels:** DP2 AHTS, MOSV, POSV, Well-Stimulation OSV

Certifications:

- ADNOC Approved
- Risk Assessment Training
- Accident Investigation Training

Skills:

- Engineering
- Gas Tankers
- Inspection of DP vessels
- Arabic speaking expert witness

Marine Engine Experience

- MAN, Diesel B&W MC, Hyundai Long Stroke & Super Long Stroke, Sulzer 5 RTA, Wartsila RT Flex MAC (4-Stroke) and Rolls Royce.
- Aux engines include MAN, Doosan, Caterpillar, Yanmar, Mitsubishi, Scania, Detroit engine, Volvo and Bergen engine.

QUALIFICATION:

- Chief Marine Engineer – Class One
- Arab Academy for Science and Technology and Maritime Transport

COURSES:

- LPG and LNG Gas Tanker Advanced Course
- GAS Tanker Endorsement
- Accident and Investigation Course.
- International safety management ISM.
- Maritime Labour Convention.
- Advanced Gas Tanker Operation Course Management Level.
- Gas measuring maritime.
- Risk Assessment Course – Kuwait Oil Tanker Company
- ADNOC Approved Chief Engineer Well Stimulation Vessels.
- United Arab Emirates Government COC Endorsement
- (Management Level) Engineering Department
- Chief Eng. on Oil Tanker Endorsement
- Chemical Tanker Endorsement
- Chemical Tankers Familiarization
- Oil tanker Cow and Safety. Tanker Operation Management Level
- Prevention and Combating of Marine Pollution

AREA OF EXPERTISE:

- Engine claims on behalf of Hull and Machinery underwriters
- LPG gas tankers experienced CEO
- P&I pre-entry risk survey and incident surveys
- P&I condition survey
- DP experienced chief engineer able to initial DP trials
- sailed as Chief Engineer on Oil Tankers (VLCC), experience with steam turbines and inert gas systems
- Technical Expert with Major Types of Marine Engines/Propulsion

SAILING EXPERIENCE

Ship name	Type	Rank	From	To	D.W. T
MV HIMS -12	WSTM-DP2	Ch. Eng.	12/11/2023	22/01/2024	3362 tons
